

	Grindelwald	Interlaken	Davos	St. Moritz	Matterhorn	
Monday - May 8						
		GENEVE	NEUCHATEL			
8:30 AM - 5:30 PM		QGIS Part 1 - Aaron Maxwell	ArcGIS Image: Working with imagery in AGOL - Peter Gamberg	Python, Notebooks, and ArcPy - Roger Dunn		
12:30 PM - 1:30 PM	Lunch in the Interlaken					
Tuesday - May 9						
		GENEVE	NEUCHATEL			
8:30 AM - 12:30 PM		QGIS Part 2 - Aaron Maxwell	Field mobility with ArcGIS Field Maps - Will DeLany -Esri	Python, Notebooks, and Pandas - Roger Dunn		
1:30 PM - 5:30 PM			Working with Configurable apps and app builders - David Vaillancourt -Esri			
12:30 PM - 1:30 PM	Lunch in the Bernese Event Center					
Wednesday - May 10						
8:30 AM - 9:10 AM	Solutions for Assessment and Taxation - Will DeLany	Iron Cartographer - Mark Beaty vs Michelle Baragona	Regional GIS Resources - Matthew Silski, Sarah Lawless		Vendors Showcase Closed (setup)	
9:20 AM - 10:00 AM	Becoming an Innovator for your Organization - Casey Sledge		Park City Labeling Convention - David Jenkins			
10:00 AM - 10:30 AM	Break In Vendors Showcase					
10:30 AM - 12:30 PM	-- Plenary in the Bernese Event Center --					
12:30 PM - 1:30 PM	Lunch in the Bernese Event Center					
1:30 PM - 2:10 PM	Machine Learning for Lidar Point Classifications - Keith Owens	How to do UGIC - Roger Dunn	ArcGIS Velocity: Introduction, use cases and examples - Peter Gamberg		Vendors Showcase	
	BLM GBP Hub Data Publication - Richard Warnick		Introduction to ArcGIS Image for ArcGIS Online - Peter Gamberg			
2:20 PM - 3:00 PM	ArcGIS Enterprise Data Management Strategies - Dave Vaillancourt	Kokopelli's Secrets - Kahoot Game - Stan McShinsky	GIS Manager's Panel - UGIC			
3:00 PM - 3:30 PM	Break In Vendors Showcase					
3:30 PM - 4:10 PM	Getting Started with the ArcGIS Experience Builder and Instant	Cartographic Tips from an Iron Cartographer - Small Format Maps - Michelle Baragona	UGRC's base maps, then and now - Zach Beck	What's new in Salt Lake City GIS -		

	Grindelwald	Interlaken	Davos	St. Moritz	Matterhorn	
	Apps - Dave Vaillancourt	Field Mobility with ArcGIS Field Maps and the Tree Management Solution - Will DeLany	Leveraging Dynamic Labeling for Quality Control in ArcGis Pro and ArcMap - Dan Rosenbalm	Nick Kryger, Valerie Petersen		
4:20 PM - 5:00 PM	Where are they now and where have they been? - Ken Richards	On Demand, Custom, Topographic Maps with topoBuilder- Shane Wright	Generating Data with Computer Vision Tools: 2 Use Cases - Erik Neemann	Navigating Design Alternatives using Experience Builder - Christina McCulloch		
		Promoting Urban Landscape Water Conservation through the Utah State University WaterMAPS™ Planning Software. - Chris McGinty				
5:15 PM - 7:30 PM	Vendors Social Event					
7:30 PM - 9:30 PM	Annual UGIC INDOOR GOLF					
Thursday - May 11						
8:30 AM - 9:10 AM	Building and Using ArcGIS Urban Datasets - Alex Rudowski, Matt Starley	UMETT 9th Annual Workshop (Utah Mapping Emergency Technical Team) - Exercise your GIS - Kate Smith, Shawn Beecher, Melissa Blue, Josh Groeneveld	Preaching Pandas Power for Python Programming Progress - Jacob Adams	Application Development: Exploring the Development and Architecture Process with Esri Technology and Asp.Net - Bruce Cheney, Eliza Gillespie, Spencer Gordon	Vendors Showcase	
9:20 AM - 10:00 AM	Utah and the National Zoning Atlas - Alex Rudowski			Workflows for Wildlife: Utah Natural Heritage Program - Adam Sovinsky, Meghan Halaburda, Zachary Clausen		
10:00 AM - 10:30 AM	Break In Vendors Showcase					
10:30 AM - 11:10 AM	Python Toolboxes in ArcGIS Pro - Roger Dunn	Using Informed Streets for Intelligent Pavement Management - Michael Philp	GIS Application for Public Utilities - Angela Lyons, Kalvan Hone	Extracting MSL Elevations from Point Geometry: A GPS Metadata Workaround - Danika Montgomery		
11:20 AM - 12:00 PM	What's Up With UGIC?	Enhanced Spatial Data Governance by Applying Automated Rules - Jeffrey M. Young	Modeling the Distribution of Great Basin Bristlecone Pine (Pinus longaeva) Using Maximum Entropy (MaxEnt) - David Burchfield	Preparing for the Modernization of the NSRS - Lynda Bell		
			Calculating Consequence of Failure Scores with ArcGIS JS API - Aspen Neville			
12:00 PM - 1:30 PM	Sack Lunch					
1:30 PM - 4:20 PM	ACTIVITY TIME					Pickleball - Tennis Courts
4:20 PM - 5:00 PM	Travel to Train Depot					
5:30 PM - 7:00 PM	DINNER AT THE TRAIN DEPOT					
7:00 PM - 9:00 PM	Train Ride on the Heber Valley Railroad					

	Grindelwald	Interlaken	Davos	St. Moritz	Matterhorn	
Friday - May 12						
8:30 AM - 9:10 AM	Introducing palletjack: A Library for Updating Web Layers - Jacob Adams	Unlock the Secrets to a Happy and High-Performing Team: An Expert's Guide to GIS Leadership and Innovation! - Aaron Austin	GIS: Taking 'good ideas' to Great Business Investments - David Gunther	Symbolizing a Dozen Fields on a Dozen Values: Avoiding a Symbol Combination Nightmare using Dictionary Rendering - Kal Hone, Bruce Cheney, Spencer Gordon	Vendors Showcase	
9:20 AM - 10:00 AM	Utah AccessMap 360°: Using GIS to ensure public access to Utah's public lands - Michelle Baragona, Jordan Lewis, Jared Anderson	CAD for Dummies (I mean GIS users) - Daniel Reynolds	ArcGIS is Foundational in Connecting Digital Workflows at Public Agencies - Matt Harman	***Thor Special****		
10:00 AM - 10:30 AM	Break In Vendors Showcase					
10:30 AM - 11:10 AM	Automate AGOL Updates With Python And Task Scheduler - Adam Clark	<p>Tipping the Scales in Conservation GIS: Examining Multiscale Models - Josh Carrell</p> <p>Value Added GIS: Does GIS Add Value to My Career? - Kalvan Hone</p>	<p>Using Ruggedness to Identify Landslide Risk - Mike Hambln</p> <p>Drones, Remote Sensing, and Machine Learning for Natural Resource Monitoring - Gabriel Svobodny</p>		Vendor Showcase Closed (Tear Down)	
11:20 AM - 12:00 PM	Historical Paper Map Archiving using ArcGIS Pro and ArcGIS Online: Tips and Tricks - Jesse Miller	How to "Make" your workflows Automated - Kim Coburn, Aaron Brown	Behind the Scenes of Utah County's Interactive Election Results Map and Dashboards - Garrett Turner, Kevin Anda			
12:00 PM - 1:00 PM	Closing Lunch & Awards in the Bernese Event Center
